

Greener Together Program Customer Terms

PLEASE READ THE FOLLOWING BEFORE PROCEEDING TO ENROLL IN THE GREENER TOGETHER PROGRAM.

- The Greener Together Program is a voluntary program solely for Omaha Public Power District (OPPD) electric service customers. By making contributions and agreeing to participate in the Greener Together Program, participating customers acknowledge that their contributions are provided voluntarily to be used as determined by OPPD for the purposes of the Greener Together Program without receiving anything in return except as specified in this description.
- Contributions are non-refundable.
- Contributions to the Greener Together Program are IN ADDITION TO the sums due and payable by customers for electric service.
- Participants choose their monthly contribution amount. Contributions to the Greener Together Program will be used by OPPD to support projects and programs that support renewable energy and environmental sustainability, including education.
- Participants may change their monthly contribution amount or opt out of the Program at any time. To change the contribution or opt out, customers must call OPPD at 402-536-4131. The Greener Together monthly contribution will transfer to a new address if a customer-participant moves to another service location within the OPPD service territory.
- Customers who contribute to the Greener Together Program will gain access to the perquisites described at www.oppd.com/GTP, based on their monthly contribution amount. Customers acknowledge that they are not eligible for any other products, services, discounts, or other benefits from providing voluntary contributions to the Greener Together Program.
 - Perks include access to Greener Together customer dashboard, community project voting and/or merchandise. The amount of perks received is dependent on the monthly contribution amount. Perks are subject to be changed at any time.
- OPPD may use contributions generated from Greener Together for planning and administering the use of funds in an amount not to exceed 10 percent of the contributions generated annually. OPPD will pay from non-Greener Together sources the remaining costs of planning and administering the Program.
- Contributions are not tax deductible.
